Currently a 4th year at Simon Fraser University

Pursuing a major in Interactive Arts & Technology and a minor in Print and Digital Publishing.

INTERESTS

FOOD PHOTOGRAPHY

I'm that person that makes everyone at the table wait for 10 seconds before eating their meal so I can take photos of it. I'm a self-proclaimed foodie, and a strong believer in "the camera eats first." I like to capture photos of delicious food and share them on Instagram!
